A safe and healthy workplace can only be achieved if employees accept responsibility for their own health & safety and that of other persons who may be affected by their work activities. We should all work together in order to raise awareness of health & safety in the workplace and ensure that health & safety procedures and policies are adhered to.

EMPLOYMENT TRAINING PROGRAMMERS

» Yash Group staff are trained in the relevant aspects of duties required of them. This comes in four stages:

» Finally we go through the key issues which may arise in a cleaning environment which will help a cleaner to understand the procedures in the event of abnormal occurrences.

ON SITE TRAINING »

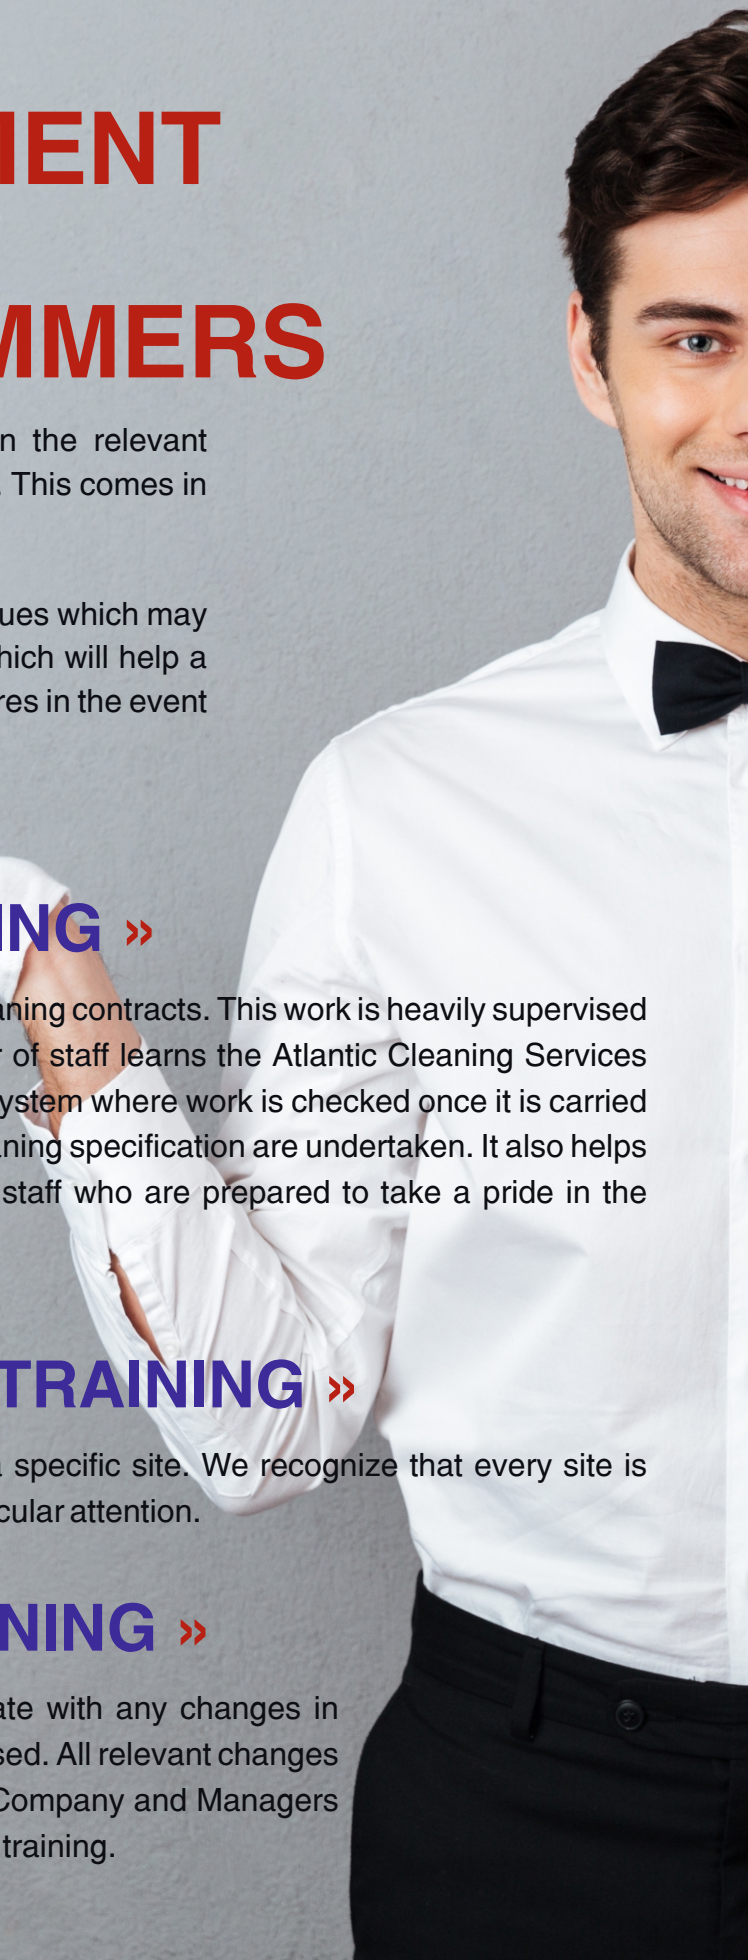

» This occurs in all Yash Group cleaning contracts. This work is heavily supervised and acts to ensure that a member of staff learns the Atlantic Cleaning Services Limited method of work. This is a system where work is checked once it is carried out to ensure all aspects of the cleaning specification are undertaken. It also helps us to distinguish the members of staff who are prepared to take a pride in the Company and their work.

SPECIFIC SITE TRAINING »

» This will include all aspects of a specific site. We recognize that every site is different and requires areas of particular attention.

ONGOING TRAINING »

» This keeps employees up to date with any changes in materials or cleaning techniques used. All relevant changes will be introduced throughout the Company and Managers and Site Supervisors then carry out training.
